**Location: Manor House Tetney Road Humberston**

*Objections in support of Heritage Officer's objections to the solar panels. Welcomed the change to the roof files.*

**Proposal: Erect single storey front extension, erect single storey side / rear extension with roof light to attach to existing garage, partial conversion of existing garage to provide utility and various associated works**

*No objections but noted that extension appears to go right up to boundary with neighbouring property and should that neighbouring property lodge objections then the Village Council would support these.*
