HUMBERSTON VILLAGE COUNCIL— COUNCIL NOTES

The last meetings of the Village Council have been held virtually via the Zoom platform, with members accessing the meeting with both audio and visual means. Members of the public have also been joining in as well as Ward Councillors. The meetings will hopefully be held normally when appropriate to do so, but in the meantime the meeting schedule has been maintained throughout the last few months to maintain the business of the Council.

Highways/Footpaths/Traffic Issues

The TRO for Humberston which prevents parking on verges and footways is now a legally active Order and enforcement is in place and is being carried out. The Village Council is also working closely with NELC to see if it can improve the situation with regard to parking in the public car park opposite the Church and the Gingerbread House .

Wendover Hall and Wendover Paddock Hall

The old hall has remained open for the Preschool use and hopefully, along with the Paddock Hall will reopen for general use from 17th May. The Village Council has acted in line with restrictions nationally during the lockdown. Hopefully from 17th May the usual exercise and activity classes can resume and then parties can recommence.

The Council has improved the Paddock area with CCTV for security and also had a new path laid from the Paddock Hall side doors and also had a storage facility built.

Planning

The Village Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Village Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Village Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Village Council website.

/continued over.....

Parish Council notes continued....

Finance

The Village Council has set its budget for the next financial year and a copy is printed in this issue, all information is also available on the Village Council website. The Council also set its precept request for the coming year, which has now been submitted to NELC.

The Council has decided to stay with its current internal auditor for the audits for the current financial year and dates will be agreed according to the national auditing procedures when they are published.

Next Meetings

THE MEETING NIGHTS HAVE NOW CHANGED TO WEDNESDAYS.

Main monthly meetings of the Council are always held on the first calendar Wednesday of each month at 7.15 pm. When meetings are allowed in person, they will take place in the new Paddock Hall but until that time, they remain virtual meetings via the Zoom platform. There is also an extra meeting night on the third calendar Wednesday of each month which is held mostly for planning applications, although other business is also discussed if required.

Next Scheduled Meetings are:

Wed 7th April 2021	7.15	Full Council
Wed 21st April 2021	7.15	Planning/mid-month meeting
Wed 5th May 2021	7.15	Full Council
Wed 19th May 2021	7.15	Planning/mid-month meeting
Wed 2nd June 2021	7.15	Full Council
Wed 16th June 2021	7.15	Planning/mid-month meeting

THE ZOOM CODE FOR ALL MEETINGS IS PRINTED ON THE TOP OF THE AGENDA—
AGENDAS AVAILABLE ON THE VILLAGE COUNCIL WEBSITE

Guiding in Humberston

2020 and 2021 have created some interesting challenges. The Rainbow, Brownie and Guide units in the village have all found different ways to keep connected together. They have worked on different challenges at home individually still working hard to earn badges and certificates and some have stayed connected weekly using zoom.

As we start to think about life beyond lockdown all of our groups are available and able to take on new young members and volunteers. Maybe you are looking for a new challenge or just to try something different. Our Rainbow, Brownie and Guide units meet weekly and have programmes full of lots of different types of activities. There are places for girls and young woman aged 5-14 and we are always looking for new adult volunteers to expand our leadership teams.

In the post COVID world if you are looking for something new...think about becoming involved in Girlguiding.

For more information or to register your interest go to www.girlguiding.org.uk or contact Theresa Barker on 01472 879928.

HUMBERSTON LIONS CLUB

We have had a difficult winter for fund raising, not unsurprisingly, but we have continued to donate funds from our Charity Fund for the benefit of many deserving cases in our community. In total, we have donated the magnificent sum of over £5250 with £1,500 to the Shalom Centre to purchase a commercial food processor to allow them to create food parcels to 400 homes, £700 to the Salvation Army for Xmas presents for their residents over the festivities, £500 to each of Harbour Place to provide cold weather clothing to 50 rough sleepers, Edward Heneage School Breakfast Club, Rock Foundation for food parcels, YMCA for Xmas food for 72 residents and 4 families and the Women's Refuge to provide activities for the young children in the Refuge. We continued to help the Grimsby Food Kitchen with their project of feeding the homeless. We also helped a family with a 4 year old boy with a brain tumour with travelling expenses to take him to Manchester for treatments.

As you might imagine our reserves have dwindled significantly over the festive season, as it always does, but without our traditional sources of income from the Santa Sleigh outside supermarkets and our very successful Advent Calendar. However, we replaced the Advent Calendar with a Xmas Raffle with many prizes kindly donated by local businesses and individuals even in these hard times. It went extremely well and we managed to raise almost £5700 helping us to refill our Charity Fund and we would like to thank all those that maybe bought a ticket. In the spring we will be going to Car Boot Sales, when we can, where we will be selling all sorts including hand-made cards, marmalades and chutneys.

If you know of someone who we might be able to help please do not hesitate to contact us.

Humberston Village Council Events Page

Events News!!

Events for 2021 -

Obviously the Village Council has been unable to plan any events for this year as it had no indication of when restrictions would be eased etc.

Now that the Government's 'road map' out of lockdown has been published, the Council can now consider any events it may wish to put on should restriction easing follow the planned path.

The Council certainly would hope to be able to put on its Christmas Event this year, but until we get to the mid-year mark it won't be able to confirm any plans.

So, this is an ongoing item on our Agenda each month and as soon as the Council feels confident that it can organise events safely etc. for residents it will do so and broadcast dates via social media, the website etc.

Watch this space!!!!

Things like **healthcare, schools and colleges** and **public transport**.

census 2021

Results will be available within 12 months, although personal records will be locked away for 100 years, kept safe for future generations.

Census day will be on March 21, but households across the country will receive letters with online codes allowing them to take part from early March.

For more information, visit [census.gov.uk](https://www.census.gov.uk).

Census 2021 will provide a snapshot of modern society

Households across North East Lincolnshire will soon be asked to take part in Census 2021.

The census is a once-in-a-decade survey that gives us the most accurate estimate of all the people and households in England and Wales. It has been carried out every decade since 1801, with the exception of 1941.

It will be the first run predominantly online, with households receiving a letter with a unique access code, allowing them to complete the questionnaire on their computers, phones or tablets.

“A successful census will ensure everyone from local government to charities can put services and funding in the places where they are most needed,” Iain Bell, deputy national statistician at the Office for National Statistics, said.

“This could mean things like doctors’ surgeries, schools and new transport routes. That’s why it is so important everyone takes part and we have made it easier for people to do so online on any device, with help and paper questionnaires for those that need them.”

The census will include questions about your sex, age, work, health, education, household size and ethnicity. And, for the first time, there will be a question asking people whether they have served in the armed forces, as well as voluntary questions for those aged 16 and over on sexual orientation and gender identity.

Rhubarb and custard muffins

Bake these easy muffins for a sweet Easter teatime treat. They're packed with fresh rhubarb and sweet, creamy custard before being topped with crunchy demerara sugar.

Ingredients

300g rhubarb : 150g caster sugar : 110g butter, melted : 2 eggs

1 tsp vanilla extract : 100g natural yogurt : 250g self-raising flour

1½ tsp baking powder : 2 tbsp custard powder (optional) :

6 tbsp fresh chilled or tinned custard : 2 tbsp demerara sugar

1. Preheat the oven to gas 6, 200°C, fan 180°C. Line a 12-hole muffin tin with muffin cases.
2. Slice the rhubarb in half lengthways, then chop into 1cm pieces and set aside.
3. In a large jug, whisk together the sugar, melted butter, eggs, vanilla and yogurt until smooth.
4. Sift the flour, baking powder and custard powder (if using) into a large bowl. Add the wet ingredients and stir until just combined. Add the rhubarb and stir until evenly incorporated – do not overmix as this will make the muffins tough.
5. Place 1 heaped tbsp of muffin batter into each muffin case. Add ½ tbsp custard to each, then top with the remaining muffin batter to fill each case. Sprinkle the top of each muffin with the demerara sugar.
6. Bake for 20 mins until risen and golden. Best eaten on the day they are made but can be stored in an airtight container for 2-3 days – try microwaving for 20 secs to soften before serving.

Local Community News

Humberston & New Waltham Ward Update March 2021

Crime

There have been 51 reported crimes across the Humberston & New Waltham Ward for February. For Humberston these included:

Tools and garden furniture were stolen from a shed that was broken into at a static caravan on Freshfields, Thorpe Park.

Two doors have been damaged at The Pear Tree Pub.
A wing mirror was forced off a car at Fieldhouse Road.
Plant pots were damaged at a property on Church Avenue.

Other reports include:

Eight reports of theft from shops, three each from Tesco and Spar, one from PoundStretcher and the Discount Garden Centre on Wilton Road. A male and female have been charged in connection with two of these thefts.

Eight minor assaults.

Three minor public order offences.

Two reports of Malicious Communications.

An engine was stolen from a boat stored at the Humber Mouth Yacht Club and stole the engine.

Theft of a pushbike from Tesco.

There have been nine reports of ASB.

Eight reports of a breach of covid regulations by youths using the Lucarly's fields to play football. Police officers attended most of these reports and dealt with the matter appropriately.

One neighbour dispute.

Helping people to stay in the home they love

For many people staying in their own home is a vital part of their feeling of independence and self-esteem. But when this becomes difficult whether through poor health, illness or disability, in-home care and support provides a vital service for those who do not wish to go into a residential care home.

LQCS provide a flexible range of services to make this possible.

Fire Plan

What to do if there is a fire

Escape Plan...

- Keep calm and get out quickly, do not waste time investigating.
- Do not collect valuables on your way out.
- If possible get everyone out using your escape plan.
- If there is smoke keep low where the air is clearer.
- Before you open the door check if it is warm. If it is, do not open it, fire could be on the other side.

If your escape is blocked...

- Get everyone into one room, ideally with a window and a mobile phone. Call 999.
- Use any materials such as: bedding, pillows or towels etc... to place around the bottom of doors; this will help block out any smoke.
- Open any available windows and shout "HELP FIRE".
- If you cannot open any windows, break the glass in the bottom corner and make any jagged edges safer with a towel or a blanket.
- Wait for the Fire Service to arrive.

Do not tackle a fire yourself – GET OUT, STAY OUT AND CALL 999

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

The number to call for non-emergency issues is 101

Protecting Communities, Targeting Criminals, Making a Difference

Ward Councillor Notes

"Now is the winter of our discontent turned bright by this son of York, and the dark clouds that loured over our house in the deep bosom of the ocean buried."

Shakespeare- Richard Third Act 1

These words have resonance today as the battle against Coronavirus continues, with the outstanding success of the national vaccination programme enabling the roadmap out of lockdown to commence and finally move us into a brighter future. The Government has laid down a clear path with controls being lifted in a cautious but hopefully final way. Key dates and events are:-

- | | |
|-----------------------|--|
| March 8th | Schools re-open
Social contact outside of home with support bubble |
| March 29th | Outdoor meeting with up to 6 (the rule of six) or two household holds
Outdoor sports activities reopen |
| April 12th | Reopening of Hairdressers, Libraries and other non essential retail.
Hospitality open for outdoor service
Weddings and Receptions can include up to 15 people |
| 17 th May | Further relaxation of social contact (but no more than 30 for outdoor events)
Hugging friends and family allowed for the first time
Indoor hospitality reopens, Restaurants, Cinemas and Soft Play areas |
| 21 st June | All legal limits on social contact removed
Remaining premises such as Nightclubs, and major events reopen (but with guidance to come) |

Each step will only be enacted if the pandemic continues to recede. It remains critical that we all continue to follow the social distancing guidelines. Keep it up everyone. *Over.....*

HUMBER BRIDGE PLAYERS

Of course it has been a frustrating for everyone, including us. This time last year our new bridge space had nearly been completed and plans for the party to celebrate the opening completed. after the first lock down never dreaming there would be more, a three night bridge holiday in The peak district was booked for May 2021 but now, who knows?
Although there has been little playing of the game, socially which we all miss dreadfully, some good has come out of it.
The more advanced players who began in 2018 have been able to play on line and have found that a real lifeline.
All have kept in touch with their new friends over this long period and that friendship has been a comfort and joy.
Hopefully by September things will be normal again and lessons for those new to the game but for whom new friendships and opportunities are central can begin. So if you are one of those please contact me on 816469.

Ward Councillor Notes continued.....

Moving onto local news, whilst the pandemic has overshadowed most things, there is activity within the ward worthy of note. Your Village Council continues to meet (virtually) and is managing to conduct its business successfully, it now almost feels normal. Residents can view the meeting on line, although I cannot promise it will be as entertaining (and tragic) as the village council meeting that went viral on U-Tube! After years of campaigning by your ward councillors the much hated mini roundabout at the entrance to Renaissance estate is being replaced with a T junction. Also a programme of road safety improvements continues with yellow lining in the entrance to the Cloisters, Marquis Way and others imminent. Traffic Regulation Orders (TRO are now fully in place in Humberston and are being enforced. Many of our smaller roads and cul-de-sacs are excluded from the TRO and clear signage is in place for these. There will be local elections this year, finally scheduled for the 6th May. Guidelines as to how these will be managed during the pandemic are being issued over the course of the next few weeks, but we know campaigning will be severely restricted. It is an ideal opportunity for residents to register for a postal vote and I urge those of you considering this to do so without delay.

Finally, as residents may know, Cllr Fenty is stepping down from public life after more than 20 years of service in one form or another. In his role as a ward councillor he has represented your interests, and always in a dedicated and vigorous manner. He has successfully campaigned on numerous issues, including those mentioned in this report. We wish John well in the next phase of his life and offer our thanks for his service.

Your ward councillors are here to serve you so do not hesitate to contact us, our details are:-

DOGS

Please note that Dogs are NOT allowed in either Wendover Paddock or on the Cemetery or Allotment Site.

Please respect this request as there are reasons that dogs are not allowed on these sites and it is only fair to others to be considerate and NOT use this area to walk dogs etc.

There are lots of other lovely dog walks in our village, including the Public Right of Way along the new site off Humberston Avenue, so do please use these areas and NOT the ones where dogs are not allowed.

Thank You.

CHANGES TO BIN COLLECTION

All residents should now have received notification from NELC of changes to bin collections and also changes to what you can recycle from early March—NELC has expanded the plastic items you can now put in the recycling.

If you haven't received a leaflet let us know and we can give you the information or you can go on the NELC website at www.nelincs.gov.uk

membership fees of official organisations, business rates, water bills, commercial waste disposal and routine repairs.

Allotments £2,650

This is now a separate budget item and covers insurance, admin, business rates, water bills and membership of partner organisations.

Other (1) £9,500

This covers the printing and distribution of the Village Newsletter, playground inspection and repairs and events budget.

Other (2) £53,000

This covers repayments on building loan for Paddock Hall (which are about to be repaid in full), capital projects of decorating the old Hall throughout and upgrading the toilet facilities in the old Hall, and damp proofing the storage room to the rear, funding for road and path repairs, tree works required at the Cemetery and fund for new cemetery extension project.

TOTAL BUDGET SET FOR 21/22 £153,975

TOTAL PRECEPT SET FPR 21/22 £93,000

The Village Council also generates income each year through the hiring of both of the Halls, allotment tenancy fees, cemetery revenue and the selling of advertising via the Newsletter. This has been impacted due to lockdown restrictions, although support grants have been received. The figure for the current year will close at approx. £57,000.

HUMBERSTON VILLAGE COUNCIL

BUDGET AND PRECEPT SETTING FOR 2021/2022

The Village Council met in January 2021 to set the budget for the next financial year, 2021/22, and to set its precept requirement for the same year. Budget agreed was as follows:

Admin £10,850

This covers office expenses, stationery, computing, website and email provision, insurance, courses and training, membership subscriptions to national and regional local government organisations, footpath repairs, audit fees etc. The amount is a reduction on the previous year.

Staffing £43,575

This covers all staff, national insurance and pension provisions. Staff members include the Council Clerk, Caretaking and Cleaning staff, a litter picker and a cemetery sexton position. All salary scales are in line with national scales. Again the budget figure is a reduction on the previous year.

Village Halls/Paddock area £14,200

This covers all running of the two Halls and the Paddock area—including insurances, business rates, gas and electricity, water bills, repairs and decoration, all hygiene services, cleaning products, commercial waste disposal and any necessary licence fees and inspections required.

Cemetery £20,200

This covers all grounds maintenance, insurance, admin,

St.Peter's Parish Church, Humberston

It is looking like we have nearly made it through to the light at the end of the tunnel.

From Psalm 121

The Lord shall preserve you from all evil It is he who shall watch over your going out And your coming in From this time forth for evermore

Hopefully we will soon be able to enjoy our Sunday Worship together. I know we have all missed this very special time. St Peter's is currently closed until 21st March, when it will be reviewed in conjunction with the advice given by the Bishop of Lincoln and the Diocese. Before St Peter's re-opens the PCC need to ensure that a proper risk assessment has taken place and that Covid secure arrangements are being followed. Once we feel it is safe, our doors will once again be open but numbers may be limited.

Information with regard to services will be available on Facebook, our Church noticeboard and A Church Near You. For any enquiries with regards to future Baptisms or Weddings please contact myself.

I think we have all had some tough times during lockdowns but there have been some special moments along the way. One such moment for me was as follows:

I had gone to check the Church and a little boy called Archie Sandhu came into the Churchyard with his grandad. Archie's grandad said they had been looking at the sun shining through the stained glass and asked if they could come inside to see it better.

Allotment News

Allotment Produce Show

The Village Council will be running an allotment show in September of this year and it will be held on the allotment site.

The show is aimed at our allotment holders and a schedule for the show will be shortly drawn up and sent out to all allotment holders with various classes to enter etc.

For more information please either contact HAAH or the Village Council.

It is hoped after a long period of restrictions that the show will give everyone a chance to come together and celebrate the hard work everyone puts in on the allotment site.

SPONSORSHIP

The village council are looking to create a plot with raised beds specifically for those with disabilities or those that would struggle to maintain a whole plot.

If you are interested in sponsoring a raised bed please get in touch for more information.—07494 577661 or clerk@humberstonvillagecouncil.com

Allotment tenancy agreements have now been renewed for the new allotment year from 1st February 2021. The rent collection was all done virtually due to lockdown restrictions, so a big thank you to everyone for helping out with this process and renewing and paying the tenancy rents on time.

Anyone wanting to go on our waiting list should ring the Clerk to the Council on 07494 577661 or email us at clerk@humberstonvillagecouncil.com

Village Halls Update

Due to the current lockdown, both of the Halls had to be closed to hirers, apart from for the Wendover Preschool, which was allowed to continue to operate. All other hirings however had to be cancelled.

Hopefully, when the restrictions are eased, the Halls will be able to open for all the usual classes from mid-May 2021. Pre-lockdown there was a diverse range of classes offered such as:

Yoga	Pilates	Toddle Talk
Zumba	Ukelele Group	Social Group/Bingo
Art classes	Humber Belles	Dog training
Dance classes for children		Artiez
Indoor carpet bowling group		

For those of you who go to the classes/groups please contact your group/class leader for dates etc. to make sure they are re-opening and to check times.

THE HALLS ARE ALL COVID-SECURE WHEN OPEN AND REGISTERED FOR TRACK AND TRACE WITH QR CODES FOR CHECKING IN AND CLEANING IN PLACE

For further details on any of the above please contact Kathy in the Office on 07494 577661

Follow our Facebook page for updates on events, news on when the halls will re-open and classes will resume and when we are going to start accepting party bookings again.

They really enjoyed seeing it as it is a very beautiful window. Archie comes with his grandad into the Churchyard every Tuesday and Thursday after Nursery School. He has a carrier bag and picks up all the litter and puts the poppy wreaths back on the War Memorial. What a good member of our community and Archie is only three. Well done Archie.
